The Public Works *Virtual* Summit

NOVEMBER 16-18, 2020

Due to the concern around COVID-19, and in alignment with the best practices laid out by the CDC, WHO and other relevant entities, The Public Works Summit has decided to go virtual for the 2020 Summit.

Bringing People Together to Help Each Other

The Public Works Virtual Summit is three half days of uniquely structured interactive roundtable sessions, information sharing and networking - 100% online! Get introduced to dozens of others responsible for their municipalities as well as senior representatives from the vendor community who will share how they're approaching industry issues. The Public Works Virtual Summit is your opportunity to get insights on an immediate issue, learn what's working for your peers and what's not, and gain new relationships with colleagues from across the country.

HOW TO PARTICIPATE

To be eligible, you must direct or manage a public works department serving a population of 25,000 or higher. Your title should be Director or above. Most important, you should have decision-making authority or specific input into the products and services your municipality purchases. You should also have challenges that you're interested in sharing, a willingness to help others and a desire to learn about products or services that can help you in the next 6 to 18 months.

ONLY 50 DPW DIRECTORS SPOTS AVAILABLE
